

→ Product details

Feature:

1. Highly stabilized voltage regulation, stable current
2. Voltage and current can be adjusted from 0 to any rated value
3. Short circuit and current limiting protection
4. Continuous operation under full-load ensured by automatic cooling fan system

Application:

5. Aging testing
6. Detection of electric bicycle industry
7. Electric tool
8. Permanent magnet DC motor
9. automobile

Model	Voltage Output	Current Output	Ripple Noise	Dimension (WxHxD) cm	Weight (kg)	Mark
QJ30100XT	0-30V	0-100A	CV≤10mVrms	100x64x50	120	
QJ30200XT	0-30V	0-200A	CV≤10mVrms	100x64x50	120	
QJ60100X	0-60V	0-100A	CV≤15mVrms	130x64x50	180
